

Customer Sales and Service

NFI is a global leader in the production of custom, high-performing graphic solutions that are customized and crafted with superior quality and durability to a variety of industries. With over 40 years of craftsmanship, our talented and skilled staff works with companies and clients to provide transformative solutions of the highest quality and value. We pride ourselves on exceptional customer service and a dedication to safety and the environment.

Job description:

Act as liaison between the customer application & requests to all NFI Internal departments. Customer responsiveness, teamwork, accuracy and thoroughness are imperative to position. Build new revenue opportunities from all customers. Build corporate profit margin whenever obtainable by understanding the value proposition brought to the customer.

We offer a safe, affirming and positive workplace, a comprehensive benefits package including health, dental, vision, 401k, paid time off, and other rewards.
