NFI Corp. Secures ISO 9001:2015 Certification

NEW BEDFORD, MA, ISSUED DECEMBER 8, 2017...NFI Corp. (<http://nficorp.com>), the global leader in high performing printed graphic solutions, recently earned renewed ISO 9001:2015 Certification, valid from October 23, 2017, through September 17, 2018.

The certificate, in accordance with TÜV NORD CERT procedures, certified that Nameplates For Industry (NFI Corp.) applies a management system in line with the EN ISO 9001:2015 standard in the manufacturing of digital offset and custom screen-printed nameplates, labels, decals, faceplates, barcodes, serial number tags, laminated assemblies, and membrane switch keypads for identifying products and services.

The International Organization for Standardization, based in Geneva, Switzerland, is an independent, non-governmental international organization that “brings together experts to share knowledge and develop voluntary, consensus-based, market relevant International Standards that support innovation and provide solutions to global challenges.”

“This certification is very important in our industry, and we are proud of our commitment to quality, safety, and efficiency when producing products for our customers, which has led to this re-certification,” said Renaud Megard, president and CEO of NFI Corp. “We are committed to solving problems for our customers, and this dedication to that mission has been recognized as aligned with that of the International Organization for Standardization, for which we are grateful.”

About NFI Corp. – Nameplates For Industry

Nameplates For Industry, or NFI Corp., was started in 1975 in England, and eventually established a business base in New Bedford, Mass. (which separated from the England location by 1988). The business, which specializes in printing on plastic, started as a screen-printing manufacturer, and has since added digital printing and flexographic printing to its services as a producer of custom, high-performing graphic solutions, which include long-lasting barcode labels, serial number labels, domed labels, asset tags, tamper-proof labels, metal nameplates, and electrical membrane switches.

NFI Corp. serves the medical, industrial manufacturing, government/military, professional services, technology and communications, transportation and equipment, and distribution industries, and has clients throughout the United States and globally. NFI Corp. is located at 213 Theodore Rice Boulevard, New Bedford, MA 02745. For more information about NFI Corp., please visit www.nficorp.com, or call 800-999-8900.
