NFI Corp. Ranks First in \$5-25 Million Category for Fastest Growing Private Companies by *Providence Business News*

PROVIDENCE, RI, and NEW BEDFORD, MA, ISSUED SEPTEMBER 23, 2019...NFI Corp. (www.nficorp.com), the global leader in high performing printed graphic solutions, was named the fastest growing company in the \$5 million to \$25 million category by *Providence Business News*. This ranking as top company for the category of *PBN's* Fastest Growing Companies competition was revealed September 18, 2019, at the Omni Providence Hotel.

The list is ranked by revenue-growth percentage from 2016-2018. NFI Corp. was one of 20 finalists overall, spread over four revenue total categories. NFI Corp. has achieved a 180.43% increase in growth over the last three years. Top-ranked organizations in the other categories included Swoogo (\$250,000 to \$5 million), Case Snow Management Inc. (\$25 million to \$75 million), and Shawmut Design and Construction (\$75 million and above).

Additionally, the event honored 14 organizations for innovative products or services, ones that have disrupted or have the potential to redefine their industries. Approximately 300 of the region's business leaders attended the event.

This achievement comes on the heels of being named to the Inc. 5000 list (ranked at 2,442) and *Boston Business Journal's* "Fast 50" (coming in at #23).

"We are thrilled to achieve this number-one ranking, and are honored by the company we keep with the other top revenue-growth organizations," said Renaud Megard, president and CEO of NFI Corp. "Thank you to *Providence Business News* for this recognition, and to our employees, vendors, and clients, who have helped us realize such a successful year, and position us for even further growth."

About NFI Corp. – Nameplates For Industry

Nameplates For Industry, or NFI Corp., was started in 1975 in England, and eventually established a business base in New Bedford, Mass. (which separated from the England location by 1988). The business, which specializes in printing on plastic, started as a screen-printing manufacturer, and has since added digital printing and flexographic printing to its services as a producer of custom, high-performing graphic solutions, which include long-lasting barcode labels, serial number labels, domed labels, asset tags, tamper-proof labels, metal nameplates, and electrical membrane switches.

NFI Corp. serves the medical, industrial manufacturing, government/military, professional services, technology and communications, transportation and equipment, and distribution industries, and has clients throughout the United States and globally. NFI Corp. is committed to standards of sustainability and incorporates eco-conscious guidelines and processes whenever possible. NFI Corp. is located at 213 Theodore Rice Boulevard, New Bedford, MA 02745. For more information about NFI Corp., please visit www.nficorp.com, or call 800-999-8900.
